FREE DELIVERY: Save an additional \$150

In order to maintain our sales tax-exempt status in Massachusetts, we can't ever deliver to anyone or pay anyone else to deliver – even to New Hampshire. Makes no sense to you? Remember Cuomos?

So how can we offer FREE delivery? We'll give you an **Instant Rebate** of \$150 off the price of any spa, and you can use that to pay the **normal** delivery charge to a local spa delivery company. Or, pick it up yourself and keep the money in your pocket.

Don't forget now, when the delivery guy asks for his payment, we didn't pay him, we took it right off your price!
