

Warehouse Clerk **Full Time Year-Round, Part-Time Summer Vacation**

Experienced preferred, but not required. It's a busy warehouse, and we will train! You have to be at least 18 years old to operate the equipment, have a forklift license (or be able to train and qualify for one quickly) and be able to work hard. This is retail, so nights and weekends are important.

We change with the seasons, so your job will be constantly changing and challenging. Tasks of the job may include unloading trucks, receiving in product, inventory counts, storing product safely and accurately, assisting with floor display set ups, helping load customers, and assisting with stocking the floor. Good customer service skills are a must! Three-season and year-round positions are available.

Are you looking for a great environment, great co-workers, and room for advancement? Come grow with us. We are well known for great products, great service, and especially knowledgeable and friendly help. Our store is open all year, though certainly busiest during the summer months. Seasonal Specialty Stores is an award-winning family-owned and operated business, with the owner working right here in the store alongside us. Unlike most retailers, we do not expect high turn-over or layoffs. We retain employees for long periods of time in a family-based atmosphere, with several being here over 10 years!

Benefits are available to both full and select benefits to part-time team members.

- Paid Training & Seminars
- Paid Holidays, Vacation & Sick/Personal days
- Profit Sharing
- Harvard Healthcare for full-time team members
- Bi-Annual Merit Bonuses
- Employee Discount
- Friend/Family Discount
- Catered Lunches on busy days
- Uniform or Clothing Allowance
- Freeze Pops!

If you are willing to learn, we are willing to train. The more you know, the more you can expect to be paid. We always prefer to promote from within. If you are motivated and looking for a long-term position with advancement opportunity, apply now.
