Schedule

Weather: In the event the weather is dangerous for the technician, service will be rescheduled at the discretion of management.

Holidays: The store is closed and no services will be performed on: New Year's Day, Easter, Independence Day, Labor Day, Thanksgiving, and Christmas. Any service that would normally be scheduled for one of these holidays will be moved to a different day, most commonly shifted by one day, at the discretion of management.

Cancellations: In the event that the customer needs to cancel their service, the customer must call at least 48 hours before their scheduled services. Any cancellation made after that 48-hour period will be subject to the \$50 cancellation fee.
